

Not Your Father's Glass Block!

Are you looking for a high-style design element to give your new bathroom, kitchen, or any room a unique look while keeping maintenance to a minimum? If so, we've got 2 ideas for you:

✚ **Designer Glass Blocks** – *Bring art and color to your windows, walls, or showers* with these artistically decorated glass blocks. Using an exclusive glass fusion process, these designs are not decals or paintings – they use specialized color glass fused to a glass blocks. Here's some facts:

- Available in any custom design.
- 120 single block designs, over 55 multiple block wall-art murals available.
- Can't be scrapped off.

✚ **Color Glass Blocks** – Add a splash of color to your glass block design. Consider randomly putting some color blocks into a wall, adding a stripe of color or make the whole wall with our brilliant color options. 8 standard colors or unlimited custom colors are available

According to Mike Foti (President of Columbus Glass Block), "The use of "designer glass blocks" is really getting hot. These processes started in Italy and in California and are now gaining incredible steam here in Ohio as well!"
